Mr. Charles B. Hamilton, General Manager  
Carpinteria Valley Water District  
1301 Santa Ynez Avenue  
Carpinteria, California 93013

Dear Mr. Hamilton:

The Department of Water Resources (DWR) has reviewed the Carpinteria Valley Water District's (CVWD) Self-Certification Statement – Tables 1 and 2 submitted on September 20, 2010, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine eligibility of CVWD to receive water management grant or loan funds. DWR has followed the *Draft AB 1420 Compliance Requirements* dated June 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Tables 1 and 2, CVWD has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from CVWD to substantiate the accuracy of the information provided in Tables 1 and 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Tables 1 and 2.

If you have any questions, please contact me at (916) 651-7025 or Jodi Evans at (916) 651-7026.

Sincerely,

A handwritten signature in cursive script, appearing to read "Fethi BenJemaa".
